Sir:

Applicant's Attorney wishes to correct the statement made in the Information Disclosure Statement mailed September 8, 2006 in which the Transmittal Cover Letter (copy enclosed) indicated that copies of each of the documents listed in the Forms/SB08a and 08b were enclosed.

Please note that, as indicated on the originally submitted return receipt postcard (copy enclosed) only Citation Nos. 5-11 were submitted.

With respect to the Citation nos. 1-4, which were omitted, it is believed that copies of these references are not required as these are all U.S. patent documents. However, if the Examiner in this application would like copies of these documents, the undersigned attorney would be happy to so provide upon request.

Respectfully submitted,

Leon Nigghosian, Jr.
